ANNOUNCEMENTS

Congratulations to the FHS Softball team for their 2-0 win over South in the Semi-Final game yesterday. They will next play Friday against Central Valley Christian High School at Fresno State on Saturday.

Good luck to the FHS Baseball team who plays in their Semi-Finals game today at Strathmore.

If you signed up or are interested in taking AP Art next year please come see Miss. Blain in room 515 before school, at lunch or after school.

Are you a link leader for the 2019-2020 school year? Then don't forget your first mandatory meeting is being held on Wednesday after school from 3-5pm in the gym. All link leaders for next school year are expected to attend. Check with Mr. Brackett in E-6 if you have any questions.

If you purchased a yearbook be on the lookout for your invitation to the exclusive distribution party – if you haven't bought a yearbook there is a very limited availability buy yours today!

Trojans, if you are interested in being an engineer or architect? Come see Mr. Parra or Mrs. Prendez in room H-3 for more information about Foothill's Computer Design and Engineering Academy. We train our students to prepare for careers in design, drafting, and CAD. Many careers use computer aided design software, such as automotive, construction, fashion, or mechanics. Our academy teaches you to use this valuable software and become proficient in CAD for entry into a career after high school or a head start into college design and engineering-related majors. We take many field trips throughout the year to competitions, local industry, and colleges. We also have guest speakers discuss their careers and answer any questions you may have. There are also opportunities for scholarships, internships, and valuable soft skills training. We are also putting together a fabrication laboratory, which will be a state of the art design and build workshop to bring your ideas and designs to life! Come by to check us out during lunch, before, or after school! We are always welcoming new
