NATIONAL FFA WEEK Dress Up Day ~ Dress like a Farm Animal

It's Day three of FFA week and the Ag Fact of the day is: Soybeans are an important ingredient for the production of crayons. In fact, one acre of soybeans can produce 82,368 crayons! Thursday is here and we hope that you dressed as your favorite farm animal! At lunch time we will be playing "Name that Tune" and we hope you will come check in at the BLUE and GOLD table to get your tickets, treats, and earn points for your team! Don't forget to make your donations at lunch to see which teacher will kiss the pig tomorrow. The current leaders right now are Mrs. Vargas, Mr. Clark, and Mrs. Rosales.

BLACK HISTORY MONTH

Phillis Wheatly was the first African-American woman to publish a book of poetry. Born in West Africa, she was sold into slavery at the age of seven and transported to North America. Purchased by the Wheatley family in Boston, Ma, who taught her to read and write English. Upon seeing her talent for poetry, they encouraged her writing. In 1773, while on a trip to London with the Wheatley's son, she met with prominent people who became patrons. Her poems were published in London as *Poems on Various Subjects, Religious and Moral* on September 1, 1773, and brought her significant fame in both England and the American Colonies.
