Trojans, your change donations over the last 3 days have raised a total of one thousand six hundred fifty dollars (1650) and is proof that Trojans take care of each other. Your donations will help provide grocery assistance for several Foothill families this holiday season. Trojans are awesome and we want to give a special shout out to our top two classes, Ms. Flowers and Mr. Barker for raising the most. Great job Trojans.

Attention Trojans: if you are a ROC or CTEC student please make sure you are exiting through the main office when leaving at your designated times. The push gates are **NOT** to be used to exit campus during school hours.

Raul Ruvalcaba from ROC/CTEC will be here on campus Thursday, December 16 3rd period for Sophomores and 4th period for juniors. Come to Counseling office to reserve your spot for the presentation.

Today is Foothill Friday. We have special treats for all Trojans who turned in a token in November and all students can check out the items you can trade your points for at the tables set up outside the Activity Office. Stop on by and see what swag you can pick up.

The Finance Office Will Be Closed Friday Dec. 10, 2021.

All this week Trojans have had a chance to make an ornament in memory of a lost loved one. Today after school we will be holding a tree lighting ceremony in the library and we hope you will join us for this special moment of remembrance.

Next week is our last week before the much needed break so let's have some fun with the week. We will have dress up days and activities each day at lunch which means chances to participate and earn points towards your Trojan Total. Monday we kick it off with Merry Monday PJs so stay cozy and warm with your holiday or other pajamas.

Quick reminder to students who have not yet paid off their senior or class packages, those need to be paid off by the 15th so make your plans now to pay that off next week.
