Trojans! On Wednesday, your counselors will be out during lunch by the Activities office. Christmas movies will be our theme, so brush up on your Christmas movie trivia and come by to spin the wheel!

Attention Trojans: if you are a ROC or CTEC student please make sure you are exiting through the main office when leaving at your designated times. The push gates are **NOT** to be used to exit campus during school hours.

Raul Ruvalcaba from ROC/CTEC will be here on campus Thursday, December 16 3<sup>rd</sup> period for Sophomores and 4<sup>th</sup> period for juniors. Come to Counseling office to reserve your spot for the presentation.

Yesterday's PJ day and lunch activities really racked up some points for some classes. The Seniors are still in the lead for the quarter total but the sophomores have moved up to 2<sup>nd</sup> place and the juniors are now in 3<sup>rd</sup>. For the staff, there is now only a 4 point difference for the quarter 2 points between team black and team gold. So, if you wore green or red today, be sure to either check in at the activities office at lunch or since it will probably be raining today at lunch, you can DM us a picture and your 6 digit on Instagram to claim your points but you need to do it before lunches are over.

Today's reindeer games will be played later this week after the quad dries out so stay tuned for more details. Tomorrow's dress up day is winter wear so bundle up and get some points.
