#### **TROJANS**

Want to join the mariachi club? Do you play the violin, trumpet, guitar, or vihuela? We are having a meeting Thursday during both lunches for information about the club in room 804. If you can't join the class, then join the club, play, and make friends who enjoy mariachi music!

In reverence to Dr. Martin Luther King Jr.'s contributions to America's true freedom we the Afro-American Association would like to share an excerpt of his famous "I Have a Dream" speech:

I still have a dream. It is a dream deeply rooted in the American dream. I have a dream that one day this nation will rise up and live out the true meaning of its creed: "We hold these truths to be self-evident, that all men are created equal."

And an excerpt from one commentator's opinion of Dr King 's legacy: It is only because of King and the movement that he led that the U.S. can claim to be the leader of the "free world" without inviting smirks of disdain and disbelief.

We salute Dr. King in our daily actions by being responsible students who display respect for ourselves and those around us."
