TROJANS

Today will be the last day for regular after-school tutoring this semester in the cafeteria from 3:45-4:45. Come in to get some extra help as you prepare for your final exams. And then Tomorrow and Thursday after finals are over, while we will not have tutoring, the cafeteria will be open for students who want to come in and get some studying done.

Speaking of finals, Attention all freshmen! Link crew is hosting a special Cocoa and Cram today after school from 3:30-4:30 in room 603. Come by to get help preparing for your first high school finals from your link crew leaders and enjoy some hot chocolate!

During the three days of finals, the cafeteria will be serving breakfast before school and serving a grab and go lunch during the break between periods. There will not be snack or dinner served on the three days of finals so be sure to pick your lunch up during the morning break. Also, please note, the student store will not be open during the three days of finals.

Today at lunch is the last day to turn in any of the peach/orange-colored tickets you earned last week from the get to class on time campaign; but you still have some chances to earn points this week. Each day of finals we have a simple way for you to get in the holiday spirit and earn points. Tomorrow we kick it off with holiday hats, Thursday is ugly sweaters or winter wear, and Friday we get ready for break with pajama day. Be sure to dress up and check in each day for points. Currently the seniors are in 1st place, freshmen in 2nd, sophomores in 3rd, and juniors in 4th. Which class and which staff team will be the semester winner? Participate this week and get you and your team points.

CLUBS

There will be one last chess club meeting before winter break today at lunch in room 909. Stop by to play chess and vote on the logo for the club shirts!

SPORTS

If you are interested in playing baseball this year at FHS, there will be a meeting for anyone interested in playing at the beginning of lunch in room 709. Baseball conditioning starts on January 9th, our first day back and players must have academic and physical clearance to start practicing. Find out more at today's baseball meeting in room 709.
