TROJANS

Finally, after almost 3 years, we are excited to bring back Blood Drives to campus! In less than one hour, you can help save 3 lives by donating blood right here on campus. Mark your calendar for October 12! For more information or to pick up a permission slip, stop by Ms. Miller's office in the Counseling office.

The R.O.S.E. Mentoring program is accepting applications to enter their 2-year program for the 2022-2024 school season. The R.O.S.E. Mentor program is FREE and for female Juniors who want to recognize their value and self-worth. As part of the program, you will be matched with a professional businesswoman in the community. During the school year, all mentors and mentees will attend meetings and workshops one evening per month. To finish off the year you are invited to attend the annual Bakersfield Women's Business Conference with your mentor. You must have a 2.5 GPA or higher and commit to 1 meeting per month in the evenings. If you are looking for personal development and growth and want to be a part of this program or have questions on the program, then please stop by the Counseling office to and see Ms. Ward for an application. 1-2 students will be selected to be a part of this program. Application due date is Friday 9/23/2022.

Sophomore, Juniors, and Seniors don't miss out on this great opportunity to get tips, study materials and practice tests for the upcoming SAT and PSAT. Many universities are still requiring students take the SAT to apply and those universities that no longer require it to apply are still recommending students take the SAT for class placement and grants/scholarships. If you are interested, go by the Counseling Office to sign-up!
