Sophomore, Juniors, and Seniors do not miss out on this great opportunity to get tips, study materials and practice tests for the upcoming SAT and PSAT. Many universities are still requiring students take the SAT to apply and those universities that no longer require it to apply are still recommending students take the SAT for class placement and grants/scholarships. If you are interested, go by the Counseling Office to sign-up!

Have you purchased your class or senior package yet? Your last day to purchase a package or make a \$25 down payment on one is next Thursday, the 15th. This is a great opportunity for you to save big and get all of your senior or class items including a great discount on a personalized yearbook. See the school website, Instagram, or finance office for more information.

Are you ready to start earning more points for you and your class? You have two opportunities today to earn using the 5 Star Student App. Today during lunch open up the 5 Star Student App to vote for Homecoming King and Queen to let your voice be heard and earn points. Then tonight come to the Varsity Football Game and scan the posted QR codes using your 5 Star App and earn points for being at the game!

Homecoming is next week Trojans and we can't wait to celebrate with all of you. Dress up each day and check in at the Activities Office to earn points and help your class compete. The class who is ahead on Friday will get a special treat during lunch! Monday's Dress Up Day is Moody Monday. Be like a character from Inside Out and wear a color to represent a mood. It's easy to participate and earn some points.
