TROJANS

GET Bus Passes for the 2023-24 school year are on their way. You can still use an "old" monthly pass from last school year. To ride the GET bus, students must show their bus pass and current student ID. A new batch of passes will be available between September and October. An announcement will be made once new passes are available. It is important to remember that when you ride the GET bus, you are representing Foothill. Show your Trojan pride by setting an example in the community.
