TROJANS

GET Bus Passes for the 2023-24 school year are on their way. You can still use an "old" monthly pass from last school year. To ride the GET bus, students must show their bus pass and current student ID. A new batch of passes will be available between September and October. An announcement will be made once new passes are available. It is important to remember that when you ride the GET bus, you are representing Foothill. Show your Trojan pride by setting an example in the community.

Attention Juniors and Seniors: PE Teachers are looking for TA's; talk to your counselor for more information.

If you are enrolled in ROC/CTEC, you might also be enrolled in a Kern Learn class. It is important to check your school email. If you have an email regarding Kern Learn, you need to follow the steps in the email, so you can start your class. If you have any questions, come by the counseling office.

The last day to submit a request to change your schedule is Friday, August 25th. If you have already submitted a request, do not submit another request. Please be patient. The counselors are working through all the requests as quickly as possible. Use the QR code on your student ID to find the form to submit a request.

It is important that you check your student email regularly. Counselors use student email to send out important information!

Students, please keep track of your Foothill High School student ID card at all times and be careful never to lose it. There are many aspects of campus life that require you to present your ID card and certain services and functions you cannot access without one... Also, if you find a Foothill ID card that is not yours, please be kind enough to turn it in to the Dean's Office.
