Happy Friday Trojans!!!

#### TROJANS

Attention Students who have not filled out a lunch application, please stop by and pick one up by the front office.

If you are planning on purchasing a class or senior package, this is a reminder that the deadline to start one with just \$25 down ends in one week. See the finance office for more information.

Did you remember to rep your team and wear black or gold today? If you did, don't forget to stop by the activity office during lunch today and check in. Yesterday we drew two winners from rally day check ins. Congrats to senior Armando Valades and freshman Jose Tehuitzil. Be sure to stop by the activities office at lunch to claim your prize! Yesterday in the first rally, team gold added 3 team points to their score and at the second rally, team gold won 2 and team black won 1 – which leaves us with team black still leading by 22 points. Be sure to check in and earn you and your team some points!

#### CLUBS

Juniors – if you are interested in being a part of your class skit for homecoming, there will be a meeting today during lunch in room I-12.

Math Club first meeting to start Tuesday September 12<sup>th</sup> during lunch, all are welcome!

Have you ever been inspired by the advancement of knowledge of the universe including, but not limited to, astronomical events, the celestial landscape, and general scientific inquiry? Join Mr. Gonzales in room 605 during lunch this Friday to kick off the 1<sup>st</sup> astronomy club meeting of the year. We will explore current events of the cosmos and astrophysics and think of ways to explore the unknown through planetary sightings and incredible cosmic phenomena!

#### SPORTS
