CLUBS

Come and join a new club called YTC. YTC stands for Youth Trojan Community; a club that involves wanting to make a happy investment in the lives of others. A happy investment might look like making hospitalized kids smile and improve their days with fun activities and more. This club is to show kids and parents in the hospital that we are there to give back and see people smile. If you're interested in joining, join us in room 816 at lunch this Thursday. There will be a snack and drink provided.
